ANNUAL ELECTIONS – VP SOCIAL

DOMENICO MILETTI - 9092137

To all CCSA members and Classics students,

As a third year student in studying Classical Civilizations at Concordia University, when elected VP Social within the CCSA, I will strive to continue the work of aiding to bring various speakers to Concordia in order to allow Classics students the opportunity to continue experiencing informative and interesting lectures from abroad.

Also, my past experience as the VP Social of the Concordia Italian Association makes me qualified for the position within the CCSA.

As for new Ideas, the arranging of film screenings which concern Classical topics will be one that I will greatly strive to accomplish.
